

FOR PROMOTERS, VENUES AND ANYONE WITH A STAGE

BOOKING CHROUSTONES

Four people from Prague who play loud and haven't settled on a genre. Two jam sessions played, first recordings in the works. Everything you need is on this page; anything that isn't, ask.

THE SHORT VERSION

LINEUP	vocals, two guitars, bass, drums — four people
FROM	Prague, CZ
GENRE	still undecided; loud, guitar-driven, songs written in kitchens
SET LENGTH	30 to 90 minutes, tell us the slot
BACKLINE	we bring our own amps (three guitar amps and a bass amp), guitars, bass and pedals; a drum kit we would rather borrow on site, but we can bring ours
INPUTS	vocals, mainly; guitars, bass and drums can go without lines in a small room — depends on the place
FEE	sensible; we care more about the room than the number
TRAVEL	Prague and anywhere a train or a Saab can go
